### **Current Professional Positions:**

#### **President, Archaeologist/Cultural Resources Planner (August 1991 to Present)**

InteResources Planning, Inc.  
Big Sky, Montana / Bozeman, Montana

Cultural & Natural Resources/Land Use Planning  
Archaeological & Historical Research  
Historic Preservation Planning  
Native American Consultations  
Multi-disciplinary Environmental Research and Review  
Organizational Facilitation and Strategic Planning  
Funding Development Planning

#### **Senior Archaeologist/Cultural Resources Planner (September 2004 to Present)**

Garcia and Associates, Inc.  
Bozeman, Montana

#### **Member, Montana Cultural and Aesthetics Advisory Committee (April 2008 to Present)**

Montana Historical Society  
Helena, Montana

### **Education:**

B.A., Anthropology  
(Specialization in North American Archaeology)  
University of Colorado, 1976

M.A., Museum Education  
(Specialization in American Civilization & Historic Preservation)  
George Washington University, 1977

#### Technical certified training:

- Cultural Resources Management Legislation and Regulations
- National Historic Preservation Act, Section 106 Compliance
- Native American Graves Protection and Repatriation Act: Implications and Practical Applications
- Archeological Resources Protection Act

### **Prominent Skills:**

- Multi-disciplinary cultural & natural resources research and planning
- Archaeological, historical, ethnographic research
- Cultural Resources Management Planning
- National Register of Historic Places evaluations and nominations
- Environmental legislation/regulation review, compliance and assessment
- Project research design, coordination and implementation
- Native American consultation and documentation
- Technical photography
- Digital mapping & Geographic Information System design and applications
- Technical writing and editing

## **Experience:**

**August 1991 to Present:**

**Owner, Principal/Archaeologist/Cultural Resources Planner, InteResources Planning, Inc.**

Manage and conduct various projects of multi-disciplinary cultural and natural resources planning firm. See attached InteResources Planning Project List for details of recent projects or visit [www.interesources.com](http://www.interesources.com)

**September 2004 to Present:**

**Senior Archaeologist/Cultural Resources Planner, Garcia and Associates, Inc.**

Plan, manage and conduct various cultural resource investigations and multi-disciplinary projects. Serve as cultural resource team member for project planning, implementation, and quality control for natural and cultural resources consulting company serving western U.S. and Hawaii.

**September 1993 to August 1997:**

**Member, Board of Directors, Big Sky Owners Association, Inc.  
(Vice-Chairman, September 1994 to Present)**

Provide financial and planning direction for 1300 member homeowners association. Serve as Chairman of Planning Committee, long-range planning for community including intergovernmental relationships, local planning and zoning review.

**August 1991 to June 1996:**

**Member, Advisory Board, Yosemite Restoration Trust, Inc.**

Provide advisory consultation to YRT board of directors and staff. YRT is a private, nonprofit organization created to promote a rational advocacy program for the preservation of Yosemite National Park, its resources, programs, and operations.

**May 1992 to September 1993:**

**Vice Chairman, Planning Committee, Big Sky Owners Association, Inc.**

Providing planning assistance and recommendations to BSOA Board of Directors regarding ongoing planning and zoning efforts underway for Big Sky/Gallatin Canyon area of Gallatin and Madison Counties, Montana.

**September 1992**

**Delegate, Archaeological Delegation to Russia**

**People to People International, Citizen Ambassador Program**

Participated in delegation of U.S. archaeologists to Russia to consult with Russian archaeologists regarding research, analytical technologies, and future cooperative research. Currently working on proposal for specific cooperative research and information exchange pertaining to research in stone tool analysis, obsidian hydration studies, and land use/conservation easement planning.

**September 1988 to September 1991:**

**Chairman, Yosemite Centennial Symposium Committee**

Served as principal organizer of major multi-disciplinary symposium commemorating the centennial of Yosemite National Park, held in Yosemite and San Francisco, California, October 13-20, 1990. Duties included planning and coordinating all aspects of Symposium including fund raising, program development, media relations, facilities and logistical arrangements, and editing and publishing of Symposium Proceedings.

**January 1981 to July 1991:**

**Park Archaeologist, Branch Chief of Cultural Resources, Yosemite National Park, California**

Provided archaeological research and cultural resources management and planning support to Yosemite and Sequoia-Kings Canyon National Parks, and Devils Postpile National Monument. Position supported the implementation of the Yosemite General Management Plan and Cultural Resources Management Plan, involving continuous planning, coordination, and direction of a variety of archaeological, historical, anthropological, and historic preservation projects.

Primary duties involved cultural resources management and research for historic and prehistoric period sites throughout the Sierra Nevada area National Parks.

Assisted as team member in development of Land Use Management Plan for establishing land use regulations for privately owned land within National Park boundaries.

Provided cultural resources management support to various multi-disciplinary planning teams for resource preservation, research, land-use planning, and construction/development projects.

Specific duties included project design, funding acquisition, background information research, field research, laboratory analysis, contract coordination, report preparation, editing, and publishing. Responsibilities included direction of professional staff of up to 35, with coordination of fiscal management of combined program budget exceeding one million dollars.

Was responsible for directing official consultations with Native American individuals, groups, communities, and advisory bodies regarding projects, planning programs.

Developed and conducted various training courses and workshops on archaeological research, cultural resources management, environmental review, and multi-disciplinary resource planning issues.

Special activities included participation on Yosemite NEPA Committee, Planning Clearing House Committee, Wilderness Management Committee, and various teams for development of Master Plans, Development Concept Plans, Land-Use Management Plans. Also served as a project review consultant for Merced River Wild and Scenic River Designation.

**July 1983 to July 1991:**

**Co-Director, Yosemite Research Center for Cultural and Natural Sciences**

Provided planning and coordination for the operation of the center. Provided technical and logistical support to visiting researchers involved in research for cultural, natural and multi-disciplinary projects. Reviewed projects to ensure compliance with established research designs, resource management plans, environmental regulations, and park policies. Assisted and directed the dissemination of research information through publications, seminars, conferences, and other activities.

**March 1987 to December 1988:**

**Board Member, California State Mining and Mineral Exhibit**

Served as board member and treasurer of state chartered board to plan and develop California state museum of mining history, assisting with general planning, fund raising, facility design, collections management planning, and curatorial staff recruitment.

**July 1986 to May 1987:**

**Program Chairman, 1987 Society for California Archaeology Annual Meeting**

Organized multi-part program of professional papers, symposium session, and presentations for annual meeting.

**March 1987:**

**Guest Lecturer, National Academy of Sciences, Archaeology Branch  
Beijing, Peoples Republic of China**

Met with archaeologists, discussing ongoing archaeological research and cultural resources management programs in China and the U.S., possible future cooperative research.

**July 1977 to December 1980:**

**Archaeologist, National Park Service**

Employed as a research archaeologist conducting historical archaeological and background historical research at Harpers Ferry National Historical Park, West Virginia, and other historic sites in Virginia, Maryland, and Washington, D.C. Prepared project proposals and funding requests, conducted field research, laboratory analysis, and report preparation.

Served as cultural resources specialist on multi-disciplinary planning team for design of Development Concept Plan for Harpers Ferry National Historical Park, presenting master plan for design and construction of park facilities, resources management and preservation plan, and related economic development plan for neighboring communities.

July 1976 to July 1977:

Graduate Student, George Washington University, Washington, D.C.

Master of Arts program in Museum Education. Seminars and courses in communications, education, museum programs, administration and program management, planning, exhibit design, collections management, and program evaluation. Special concentration in American Civilization and Historic Preservation. Internship at Historic Annapolis, Inc., Annapolis, Maryland, and at Department of Anthropology, Smithsonian Institution.

June 1973 to June 1976:

Assistant Archaeologist, University of Colorado, Mesa Verde Research Center

Work, as field assistant and project field director, included numerous archaeological survey and excavation projects at Mesa Verde National Park and other areas throughout Colorado and Utah.

Cultural & Natural Resources Planning ▪ Research

# Scott L. Carpenter

## Recent Project List

November 2008 – Present

Consulting Archaeologist  
Archaeological/Historical Field Investigations, Sandage Historic Homestead ▪ Montana State University, Bozeman, Montana

September 2007 – Present

Cultural Resources Planner  
Story Mill Center Development, Bozeman, Gallatin Co., Montana ▪ Hyalite Engineers, PLLC, Bozeman, Montana

February 2006 – Present

Cultural Resources Planner/Consulting Archaeologist  
Ameya Preserve Development, Park Co., Montana ▪ Ameya Preserve, Bozeman, Montana

June 2003 – Present

Project Director  
Digital Mapping Project ▪ Resort Quest, Inc., Big Sky, Montana

March 2008 – June 2008

Cultural Resources/Historic Preservation Planner  
Crail Ranch Historic Site Master Plan Development ▪ Historic Crail Ranch Conservators, Big Sky, Montana

March 2008 – March 2008

Cultural Resources Planner  
Gallatin Valley Gravel Pits Environmental Assessment, Gallatin Co., Montana ▪ Montana DEQ, Garcia and Associates, Inc., Bozeman, Montana.

February 2008 – May 2008

Cultural Resources/Historic Preservation Planner  
Pioneer Bluff Historic Site, Master Plan Development ▪ Pioneer Bluff Foundation, Matfield Green, Kansas

September 2007

Consulting Archaeologist  
MSU Investigation/Ballantyne Prehistoric Site, Gallatin Co., Montana ▪ Montana State University, Department of Sociology & Anthropology, Bozeman, Montana

September 2007

Consulting Archaeologist  
Historic Archaeological Monitoring of Excavations for Mendenhall Parking Garage, Bozeman, Montana ▪ Historical Discoveries, Missoula, Montana

August 2007 – September 2007

Principal Investigator/Archaeologist  
Phase IV Cultural Resource Inventory of Front 9 and Ski West Areas, Moonlight Basin, Madison Co., Montana ▪ Moonlight Basin Ranch, Ennis, Montana

May 2007 – June 2007

Principal Investigator/Consulting Archaeologist  
Cultural Resource Inventory and Evaluation of Beatch Canyon State Lands Road Right-of-Way, Madison Co., Montana ▪ Garcia and Associates, Bozeman, Montana; Montana Department of Natural Resources and Conservation on behalf of MK Resources, Salt Lake City, Utah

April 2007 – June 2007

Principal Investigator/Cultural Resource Planner  
Historic Structures Recording and National Register Evaluation of Chinook and Glendive Armory Buildings, Blaine and Dawson Cos., Montana ▪ Garcia and Associates, Bozeman, Montana; Montana Army National Guard, Ft. Harrison, Montana

February 2007 – May 2007

Cultural Resources Planner/Technical Writer  
Gopher Hole CCC Camp: Quiet Remnants of a Historic Landscape, an informational brochure on the CCC Camp near Townsend, Broadwater Co., Montana ▪ Garcia and Associates, Bozeman, Montana; Montana Army National Guard, Ft. Harrison, Montana

September 2006 – October 2006

Principal Investigator/Archaeologist  
Phase III Cultural Resource Inventory of 200 Acre Development Area Moonlight Basin Ranch Development, Madison County, Montana ▪ Moonlight Basin Ranch, Ennis, Montana

August 2006

Principal Investigator/Archaeologist  
Phase II Cultural Resource Inventory Phase 4a Development Area Moonlight Basin Ranch Development, Madison Co., Montana ▪ Moonlight Basin Ranch, Ennis, Montana

July 2006 – August 2006

Principal Investigator/Archaeologist  
Phase I Cultural Resource Information Search Summary and Predictability Study for the Moonlight Basin Ranch Development, Madison Co., Montana ▪ Moonlight Basin Ranch, Ennis, Montana

May 2006 – September 2007

Cultural Resources Planner, Consulting Archaeologist  
Cultural Resources Inventory, Evaluation and Assessment of the Story Mill Center Development, Bozeman, Gallatin Co., Montana ▪ Hyalite Engineers, PLLC, Bozeman, Montana

May 2006 – June 2006

Cultural Resources Planner  
Historical Background Study of the Middle Creek Development Area, Gallatin Co., Montana ▪  
Hyalite Engineers, PLLC, Bozeman, Montana

March 2006 – January 2007

Project Archaeologist  
Cultural Resource Inventory of State Lands Sections 18 & 20, Park Co., Montana ▪ Montana  
Department of Natural Resources and Conservation, Helena, Montana

February 2006 – April 2006

Cultural Resources Planner/Consulting Archaeologist  
Cultural Resources Planning and Background Historical Report, Mt. Ellis Academy Property,  
Gallatin Co., Montana ▪ Hyalite Engineers, PLLC, Bozeman, Montana

December 2005 – July 2006

Cultural Resources Technical Lead  
Gallatin River Plan Environmental Impact Study, Gallatin Co., Montana ▪ Garcia and Associates,  
Bozeman, Montana; Montana Dept. of Environmental Quality, Helena, Montana

October 2005 – December 2005

Cultural Resources Planner/Technical Writer  
Old Woman's Grave Historic Site Information Publication, Broadwater Co., Montana ▪ Montana  
Army National Guard, Ft. Harrison, Montana

September 2005 – February 2006

Cultural Resources Technical Lead/Consulting Archaeologist  
Interstate-90/Bozeman Airport Interchange Environmental Documentation, Gallatin Co., Montana ▪  
Garcia and Associates, Bozeman, Montana; HKM Engineering, Helena, Montana

September 2005 – February 2006

Cultural Resources Technical Lead  
Highwood Coal Fired Plant Environmental Impact Statement, Great Falls, Montana ▪ Garcia and  
Associates, Bozeman, Montana; Mangi Environmental Group, Great Falls, Virginia

September 2005 – December 2005

Cultural Resources Planner/Technical Writer  
Ft. Harrison Historic Cemetery Information Publication, Helena, Montana ▪ Montana Army  
National Guard, Ft. Harrison, Montana

August 2005 – October 2006

Project Director  
National Register Nomination for New World Mine Historic Landscape, Cooke City, Montana ▪  
Garcia and Associates, Bozeman, Montana; USFS, Gallatin National Forest, Bozeman, Montana

June 2005 – July 2005

Project Director  
Cultural Resources Survey, Altman Family Land Sale, Gallatin Co., Montana ▪ Confluence Consulting, Inc., & HKM Engineering, Inc., Bozeman, Montana

April 2005 – June 2006

Consultant/Cultural Resources Technical Lead  
McCloud-Pit Hydroelectric Relicensing Project, Pacific Gas and Electric Co., San Francisco, California ▪ Garcia and Associates, San Anselmo, California

March 2005 – December 2005

Project Director  
Cultural Resources Inventory, Green Mountain/Stublar Road Project, Gallatin County, Montana ▪ Confluence Consulting, Inc., Bozeman, Montana

September 2004 – June 2007

Cultural Resources Team Leader/Expert Witness  
Spokane River Hydroelectric Relicensing Project, Idaho and Washington ▪ Garcia and Associates, San Anselmo, California; U.S. Department of Interior, Bureau of Indian Affairs Portland, Oregon

November 2003 – September 2004

Project Director  
Resources Assessment of Agricultural Lands in Southeastern Rio Arriba County, New Mexico ▪ Sonoran Institute, Tucson, Arizona; Rio Arriba County Planning Office, Española, New Mexico

August 2003 – January 2005

Project Director  
Web-Site Development for Historic Los Luceros ▪ Los Luceros Foundation, Alcalde, New Mexico

July 2003

Project Consultant (Technical Photography)  
Petroglyph Recording Project on Black Mesa, Rio Arriba County, New Mexico ▪ U.S. Dept. of Interior, Bureau of Land Management, Taos, New Mexico

June 2003

Project Consultant (Technical Photography)  
Photo Documentation of Fine Art Collection ▪ Wildwind Productions, Big Sky, Montana

May 2003

Project Director  
Digital Map Production for Book Publication ▪ Wildwind Productions, Big Sky, Montana

April 2003 – August 2004

Project Director (Cultural Resources Research)  
Preservation Plan and Documentation for Prehistoric Site of Phioge, Rio Arriba County, New Mexico ▪ Los Luceros Foundation, Alcalde, New Mexico; San Juan Pueblo, San Juan, New Mexico

January 2003 – April 2003

Project Consultant  
Historic Photography Collection Research, Assessment, and Museum Gift Planning ▪ The V. Parker Edward Curtis Photographic Collection, The Parker Family, Columbus, Indiana and San Jose, California

October 2002

Project Consultant (Technical Photography)  
Production of Documentary Photography to Accompany Historic Preservation Award Nomination for Historic Los Luceros, American Institute of Architects/New Mexico Chapter ▪ Spears Architects, Santa Fe, New Mexico; Los Luceros Foundation, Alcalde, New Mexico

June 2002

Project Consultant (Technical Photography)  
Photo Documentation of Commercial Art Work ▪ Craig Krzycki, Big Sky, Montana

May 2002

Project Consultant (Cultural Resources Planning)  
Develop and Produce the Los Luceros Message Statement/Interpretive Outline ▪ Los Luceros Foundation, Alcalde, New Mexico

April 2002

Project Director (Archaeologist)  
Cultural Resources Survey, Antelope Ridge Subdivision, Gallatin County, Montana ▪ Antelope Ridge Development, Inc.

October 2001 – August 2002

Project Consultant, Facilitator/Cultural Resources Planner  
Reorganization Plan, Yosemite National Park, Branch of Cultural Resources ▪ National Park Service, Yosemite National Park, California

September 2001 – May 2002

Project Consultant (Workshop Planner/Facilitator)  
Yosemite Indian Cultural Center Planning Workshops ▪ American Indian Council of Mariposa County, Inc., Mariposa, California; The Yosemite Fund, Inc., San Francisco, California

May 2001 – December 2001

Project Consultant (Project Director)  
Digital Mapping Project ▪ Resort Quest, Inc., Big Sky, Montana

May 2001

Interpretive Project Consultant  
Visitor Center Program Planning and Design Concept ▪ Los Luceros Foundation, Alcalde, New Mexico

March 2001

Project Consultant (Technical Photography)  
Obsidian Artifact Photography, Lake Eleanor Archaeological Survey ▪ National Park Service, Yosemite National Park, California

September 2000 – December 2004

Project Consultant (Project Director)  
Yosemite Backcountry Archaeological Predictive Model ▪ National Park Service, Yosemite National Park, California

April 2000

Project Director/Archaeologist  
Cultural Resources Field Examination and Inventory Palisades Subdivision, Madison Co., Montana ▪ M. Robinson, McAllister, Montana

April 1998 – August 1998

Project Director/Archaeologist  
Cultural Resources Field Examination and Inventory, Rush Creek Property, Tuolumne Co., California ▪ Yosemite Motels, Inc., Mariposa, CA

March 1998

Cultural Resources Planner  
Cultural Resources Program Review ▪ National Park Service, Gettysburg National Historical Military Park, Pennsylvania

March 1998

Project Director/Archaeologist  
Cultural Resources Review, Yosemite View Lodge/Hwy. 140 Intersection & Flood Walls Proposal ▪ Yosemite Motels, Inc., Mariposa, CA

September 1997

Project Director/Archaeologist  
Cultural Resources Review, Yosemite View Lodge Restaurant Expansion, El Portal, California ▪ Yosemite Motels, Inc., Mariposa, CA

July 1997 – September 2000

Project Consultant (Project Director)  
Cultural Resources Inventory and Recording, Merced Canyon Corridor ▪ National Park Service, Yosemite National Park, California

March 1997 – August 1997

Cultural Resources Planner/Archaeologist  
Environmental Documentation, El Portal Road Reconstruction ▪ National Park Service, Yosemite  
National Park, California

November 1995

Consulting Archaeologist  
Preliminary Archaeological Survey of Diablo Canyon, California ▪ Davis-King & Assoc., Stanford,  
California

October 1995 – November 1996

Project Director/Archaeologist  
Preliminary Archaeological Survey of Crystal Cave ▪ National Park Service, Sequoia and Kings  
Canyon National Parks, California

August 1995 – November 1996

Cultural Resources Planner/Archaeologist  
Heritage Resources Documentation - Wilderness Environmental Impact Statement ▪ U.S. Forest  
Service, Sierra National Forest, California

July 1995 – October 1995

Project Consultant/Instructor  
Course: Historical Architecture of Butte, Montana ▪ Western Montana College, Dillon, Montana

February 1995

Cultural Resources Planner/Archaeologist  
Archeological Synthesis and Research Design Workshop, Yosemite National Park ▪  
National Park Service, Yosemite National Park, California

November 1994 – April 1995

Project Consultant  
Organizational Planning & Funding Development Planning, Gallatin Valley Literacy Council ▪  
Gallatin Valley Literacy Council, Bozeman, Montana

April 1994

Project Consultant  
Big Sky Trail System Planning Project ▪ Big Sky Owners Association, Big Sky, Montana

September 1993

Project Consultant/Instructor  
Training Session: "Tools and Thresholds, Coordination of the National Environmental Policy Act  
and National Historic Preservation Act Process" for National Park Service Resources Managers ▪  
National Park Service, Washington, D.C.

May 1993

Project Consultant

Emergency Recovery Plan, Fairmead Fossil Mammoth Discovery ▪ Madera County, California

November 1992 – January 1993

Project Consultant

Trail System Feasibility and Entity Study ▪ Big Sky Owners Assoc., Inc., Big Sky, Montana

November 1992

Participant

Planning Meetings for Yellowstone Center for Mountain Environments ▪ Montana State University, Bozeman, Montana
